Alyna Palamarchuk
Full-Stack Software Developer

Houston, Texas, United States | (281) 979-4140
alynapchuk.com | alynapchuk@gmail.com
linkedin.com/in/alynapchuk | gitgub.com/alynapchuk

Positive and problem-solving full-stack software developer driven to building strong teams and investing in the people around me. Seeking an opportunity with a growing organization which will allow me to apply and expand my knowledge in software development.

Skills

- Python
- HTML
- CSS

- JavaScript
- RESTful API
- jQuery

- Node.js
- Express
- PostgreSQL

- Sequelize
- React
- Bootstrap

Education

- DigitalCrafts | Certificate in Full-Stack Software Development | May 2021 – August 2021
  Software engineering training program covering full-stack development including, but not limited to JavaScript, Python, and server-side technologies such as Node.js, Express, and PostgreSQL.

Portfolio

- Archer | archerapp.com | github.com/alynapchuk/archer | July 2021
  The Archer application was a back-end project developed by my group from the DigitalCrafts May 2021 cohort. The purpose of Archer is to provide an itinerary to organize parks and bookings for the user to plan their next adventure.

- Deto No Yoru | detonoyoru.netlify.app| github.com/alynapchuk/DetoNoYoru | June 2021
  This webpage was designed and developed by my group as a project for the DigitalCrafts bootcamp to showcase the skills and knowledge each student has developed in HTML, CSS, and JavaScript.

- Corpse Flora | github.com/alynapchuk/corpse_flora | May 2021
  Corpse Flora lorem ipsum dolor sit amet consectetur adipisicing elit. Cupiditate repudiandae a iste dolorum et vero magnam qui pariatur, voluptates laudantium fugiat sapiente velit nostrum aut.

Work Experience

- ConnectSource Solutions | Accounting Assistant | November 2020 – May 2021
  Supported accounting procedures and processes by ensuring incoming forms of payment were appropriately applied to accounts payable and other accounting functions. Verified expense reports and transactions following company standards.

- King's BierHaus | Event Director & Regional Trainer | February 2016 – November 2020
  Responsible for direction, planning, coordination, and management of private and corporate parties, catering, and special events. Lead training and management for three newly developed locations to emphasize success in culture and systems.
